SCHEDULE 1**Description of the Project**

1. The objective of the Project is increased income and tourism developed in project villages.
2. The project shall comprise the following components:
 - (a) **Local capacity for community-based tourism development and promotion strengthened.** This includes (i) formal establishment of CBT Groups in each Project village; (ii) providing training on CBT Group formation, guiding and servicing, food and lodging hygiene, financial management and maintenance of tourist-related infrastructure; and (iii) implementing a marketing campaign to target existing tourists visiting the nearby heritage sites to the Project villages.
 - (b) **Community-based tourism and livelihood activities implemented.** This includes (i) development of tourist activities and services, including food servicing, lodging and local tours; and (ii) training and equipment for high-value agriculture.
 - (c) **Community-based public facilities and services enhanced.** This includes (i) provision of infrastructure such as car parking, restrooms, restaurant, souvenir outlets, walking tracks, small piers; (ii) implementation of a waste collection service; and (iii) expansion of a potable water supply service for families in the Techo Thamacheat village and surrounding areas.
3. The Project is expected to be completed by 30 June 2026.

SCHEDULE 2**Allocation and Withdrawal of Grant Proceeds**General

1. The table attached to this Schedule sets forth the Categories of items of expenditure to be financed out of the proceeds of the Grant and the allocation of the Grant proceeds to each such Category ("Table"). (Reference to "Category" in this Schedule is to a Category of the Table.)

Basis for Withdrawal from the Grant Account

2. Except as ADB may otherwise agree, the proceeds of the Grant shall be allocated to items of expenditure, and disbursed on the basis of the withdrawal percentage for each item of expenditure, as set forth in the Table.

Reallocation

3. Notwithstanding the allocation of Grant proceeds and the withdrawal percentages set forth in the Table,

- (a) if the amount of the Grant allocated to any Category appears to be insufficient to finance all agreed expenditures in that Category, ADB may, by notice to the Recipient, (i) reallocate to such Category, to the extent required to meet the estimated shortfall, amounts of the Grant which have been allocated to another Category but, in the opinion of ADB, are not needed to meet other expenditures, and (ii) if such reallocation cannot fully meet the estimated shortfall, reduce the withdrawal percentage applicable to such expenditures in order that further withdrawals under such Category may continue until all expenditures thereunder shall have been made; and
- (b) if the amount of the Grant allocated to any Category appears to exceed all agreed expenditures in that Category, ADB may, by notice to the Recipient, reallocate such excess amount to any other Category.

Disbursement Procedures

4. Except as ADB may otherwise agree, the Grant proceeds shall be disbursed in accordance with the Loan Disbursement Handbook.

Condition for Withdrawals from Grant Account

5. Notwithstanding any other provision of this Grant Agreement, no withdrawals shall be made from the Grant Account until:

- (a) each Implementing Agency has:

SCHEDULE 3**Execution of Project; Financial Matters**Implementation Arrangements

1. The Recipient shall cause the Project Executing Agency to ensure, that the Project is implemented in accordance with the detailed arrangements set forth in the PAM. Any subsequent change to the PAM shall become effective only after approval of such change by the Recipient and ADB. In the event of any discrepancy between the PAM and this Grant Agreement, the provisions of this Grant Agreement shall prevail.

2. The Recipient shall cause the Project Executing Agency to ensure, that the Project is supported by professionally skilled personnel. In particular, each Implementing Agency will establish a project implementing unit and shall engage a finance and administration assistant. In the case of the Project Executing Agency, it shall establish a project coordination unit, and engage a national financial management and administration specialist, an accountant, a national procurement and contract management specialist, as well as appropriate finance and accounting staff, as detailed further in the PAM. Furthermore, the Recipient shall ensure, or cause the Project Executing Agency to ensure that both the Project Executing Agency and the Implementing Agencies undertake the necessary capacity building and training in ADB's policies and procedures, including procurement, disbursement and financial management.

Procurement

3. The Recipient shall cause the Project Executing Agency to ensure, that:
- (a) the procurement of Goods, Works and Services is carried out in accordance with the Procurement Policy and the Procurement Regulations;
 - (b) Goods, Works and Services shall be procured based on the detailed arrangements set forth in the Procurement Plan, including the procurement and selection methods, the type of bidding documents, and ADB's review requirements. The Recipient may modify the detailed arrangements set forth in the Procurement Plan only with the prior agreement of ADB, and such modifications must be set out in updates to the Procurement Plan; and
 - (c) (i) all Goods and Works procured and Services obtained (including all computer hardware, software and systems, whether separately procured or incorporated within other goods and services procured) do not violate or infringe any industrial property or intellectual property right or claim of any third party; and (ii) all contracts for the procurement of Goods, Works and Services contain appropriate representations, warranties and, if appropriate, indemnities from the contractor, supplier, consultant or service provider with respect to the matters referred to in this subparagraph.
4. The Recipient shall cause the Project Executing Agency to ensure, that no Works or Nonconsulting Services contracts are awarded which involve environmental impacts until:

- (a) the relevant environmental and cultural resources authorities of the Recipient has granted the approval of the IEE and the Recipient has obtained ADB's clearance of the IEE based on the final design; and
- (b) the Recipient has incorporated the relevant provisions from the ESMP into the Works and/or Nonconsulting Services contracts.

5. The Recipient shall not award any Works or Nonconsulting Services contract which involves Involuntary Resettlement Impacts, until the Recipient has prepared and submitted to ADB the SDDR in relation to each subproject, based on the Projects detailed design, and obtained ADB's clearance of such SDDR.

6. The Recipient shall ensure that no works shall commence under any Works or Nonconsulting Services contract until the relevant government authorities of the Recipient have agreed to allow the relevant CBT Groups full use of the land, upon which the Project activities will take place, through legally binding land usage agreements.

Environment

7. The Recipient shall cause the Project Executing Agency to ensure that the preparation, design, construction, implementation, operation and decommissioning of the Project and all Project facilities comply with (a) all applicable laws and regulations of the Recipient relating to environment, health and safety; (b) the Environmental Safeguards; and (c) all measures and requirements set forth in the IEE and the ESMP, and any corrective or preventative actions set forth in a Safeguards Monitoring Report.

Indigenous Peoples and Involuntary Resettlement

8. The Recipient shall ensure that the Project does not have any indigenous peoples or involuntary resettlement impacts within the meaning of the SPS. In the event that the Project does have any such impacts, the Recipient shall take all steps required to ensure that the Project complies with the applicable laws and regulations of the Recipient and with the SPS.

Human and Financial Resources to Implement Safeguards Requirements

9. The Recipient shall make available, or cause the Project Executing Agency to make available, necessary budgetary and human resources to fully implement the ESMP.

Safeguards – Related Provisions in Bidding Documents and Works Contracts

10. The Recipient shall cause the Project Executing Agency to ensure, that all bidding documents and contracts for Works and Nonconsulting Services contain provisions that require contractors to:

- (a) comply with the measures relevant to the contractor set forth in the IEE and the ESMP (to the extent they concern impacts on affected people during construction), and any corrective or preventative actions set forth in a Safeguards Monitoring Report;

- (b) make available a budget for all such environmental and social measures; and
- (c) provide the Recipient with a written notice of any unanticipated environmental or resettlement risks or impacts that arise during construction, implementation or operation of the Project that were not considered in the IEE, the ESMP and the SDDR.

Safeguards Monitoring and Reporting

11. The Recipient shall cause the Project Executing Agency to do the following:
- (a) submit semi-annual combined environmental and social Safeguards Monitoring Reports to ADB and disclose relevant information from such reports to affected persons promptly upon submission;
 - (b) if any unanticipated environmental and/or social risks and impacts arise during construction, implementation or operation of the Project that were not considered in the IEE, the ESMP and the SDDR, promptly inform ADB of the occurrence of such risks or impacts, with detailed description of the event and proposed corrective action plan; and
 - (c) report any actual or potential breach of compliance with the measures and requirements set forth in the ESMP promptly after becoming aware of the breach.

Prohibited List of Investments

12. The Recipient shall ensure that no proceeds of the Grant are used to finance any activity included in the list of prohibited investment activities provided in Appendix 5 of the SPS.

Grievance Redress Mechanism

13. The Recipient shall cause the Project Executing Agency to ensure that the Project's safeguard grievance redress mechanisms, acceptable to ADB, are established in accordance with provisions of the IEE, the ESMP, and the PAM within the timeframes specified in the relevant IEE, ESMP, and PAM, to consider and resolve safeguards related complaints, if any, in a timely manner.

Labor Standards, Health and Safety

14. The Recipient shall cause the Project Executing Agency to ensure that the core labor standards and the Recipient's applicable laws and regulations are complied with during Project implementation. The Recipient shall include specific provisions in the bidding documents and contracts financed by ADB under the Project requiring that the contractors, among other things: (a) comply with the Recipient's applicable labor law and regulations and incorporate applicable workplace occupational safety norms; (b) do not use child labor; (c) do not discriminate workers in respect of employment and occupation; (d) do not use forced labor; (e) allow freedom

of association and effectively recognize the right to collective bargaining; and (f) disseminate, or engage appropriate service providers to disseminate, information on the risks of sexually transmitted diseases, including HIV/AIDS, to the employees of contractors engaged under the Project and to members of the local communities surrounding the project area, particularly women.

15. The Recipient shall strictly monitor compliance with the requirements set forth in paragraph 14 above and provide ADB with regular reports.

Gender and Development

16. The Recipient shall ensure that (a) the GAP is implemented in accordance with its terms; (b) the bidding documents and contracts include relevant provisions for contractors to comply with the measures set forth in the GAP; (c) adequate human and financial resources are allocated for implementation of the GAP; (d) progress on implementation of the GAP, including progress toward achieving the gender outcome and output targets, are regularly monitored and reported to ADB; and (e) all gender outcome and output targets are achieved, including, but not limited to: (i) at least 30% of the members of each CBT Group are women, on average; (ii) at least 40% of the leadership roles in each CBT Groups are women; (iii) 10% of the CBT Group and commercial agricultural trainees are women; (iv) 10% of female-headed households are actively targeted and benefit from tourism-related and commercial agriculture livelihood activities; (v) at least 20% of unskilled labourers are women; and (vi) contractors commit to ensuring equal pay for work of equal value for male and female workers.

Counterpart Support

17. The Recipient shall make available any counterpart funding required for the implementation of the Project on a timely basis and will make available, through budgetary allocations or other in-kind contributions, all counterpart resources required for the timely and effective implementation of the Project.

18. In addition to the foregoing, the Recipient shall ensure that the Project Executing Agency has sufficient funds to satisfy its liabilities arising from any Works, Goods and/or Services contract.

Community Participation and Selection of Beneficiaries

19. The Recipient shall cause the Project Executing Agency to ensure, that the relevant CBT Groups and farmers are selected as such in accordance with the specified selection criteria set out in the PAM. Furthermore, the Recipient shall ensure, or cause the Project Executing Agency to ensure, that each established CBT Group is formally registered as such.

20. The Recipient shall cause the Project Executing Agency to ensure, that the Stakeholder Consultation and Participation Plan, as included in the PAM, is implemented in accordance with its terms in close coordination with ADB, to ensure mechanisms are established to effectively manage community participation.

21. The Recipient shall cause the Project Executing Agency to ensure, that the CBT Groups are able to use the Project facilities, through legally binding land usage arrangements with the relevant government authorities.

Operation and Maintenance

22. The Recipient shall cause the Project Executing Agency to ensure that all Project facilities and equipment, constructed or installed under the Project are well operated and maintained, and the relevant CBT Groups and farmers are fully trained in monitoring, operating, and maintaining such Project facilities and equipment for which they are responsible.

Financial Management Action Plan

23. The Recipient shall cause the Project Executing Agency to ensure that financial management arrangements and internal controls are in place throughout Project implementation, and the risk mitigating measures as set out in the time-bound financial management action plan (as set out in the PAM) are implemented in accordance with the timelines therein, reviewed, and regularly monitored, in close coordination with ADB.

Governance and Anticorruption

24. The Recipient, the Project Executing Agency and the Implementing Agencies shall (a) comply with ADB's Anticorruption Policy (1998, as amended to date) and acknowledge that ADB reserves the right to investigate directly, or through its agents, any alleged corrupt, fraudulent, collusive or coercive practice relating to the project; and (b) cooperate with any such investigation and extend all necessary assistance for satisfactory completion of such investigation.

25. The Recipient, the Project Executing Agency and the Implementing Agencies shall ensure that the anticorruption provisions acceptable to ADB are included in all bidding documents and contracts, including provisions specifying the right of ADB to audit and examine the records and accounts of the executing and Implementing Agencies and all contractors, suppliers, consultants, and other service providers as they relate to the Project.

Donor-specific covenants

26. The Recipient shall cause the Project Executing Agency to, comply with the Visibility and Coordination Guidelines of JFPR. In particular, the Recipient shall cause the Project Executing Agencies to include the JFPR and Japan Official Development Assistance logos in all relevant Project publications and on any equipment or facility funded by JFPR. For the purposes of this provision, "Visibility and Coordination Guidelines of JFPR" refers to the "Guidance Note on Japanese Visibility" dated 22 April 2019, and the "Guidance Note on Coordination with Embassy of Japan and JICA" dated 22 April 2019, both as agreed between ADB and the Government of Japan and as amended from time to time.

Project Website

27. The Recipient shall cause the Project Executing Agency to ensure a Project website is maintained and is regularly updated. The Project website shall include information on

the use of Grant proceeds including (a) bidding procedures, bidders, and contract awards; (b) list of Goods, Works and Services; (c) safeguard monitoring and quarterly progress reports; and (d) grievance redress mechanism(s).
